### DECLARATION AND PETITION

As the below named inventors, we hereby declare that:

Our residence, post office address and citizenship is as stated below next to our names.

We believe that we are original, first inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled **WATER-SOLUBLE DISTYRYLBENZENE CHROMOPHORES FOR APPLICATIONS IN OPTOELECTRONIC TECHNOLOGIES**, the specification of which was filed March 15, 2004.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a).

We hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed: **NONE**

We hereby claim the benefit under Title 35, United States Code, §120 of any United States application(s), and §119(e) of any United States provisional application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, § 112, we acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, § 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application: This application claims priority under Section 119(e) to provisional application number 60/454,840, filed on March 14, 2003, and provisional application number 60/456,289, filed on March 20, 2003.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Wherefore we pray that Letters Patent be granted to us for the invention or discovery described and claimed in the foregoing specification and claims, and we hereby subscribe our names to the foregoing specification and claims, declaration and petition.

**DECLARATION AND PETITION**

As the below named inventors, we hereby declare that:

Our residence, post office address and citizenship is as stated below next to our names.

We believe that we are original, first inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled **WATER-SOLUBLE DISTYRYLBENZENE CHROMOPHORES FOR APPLICATIONS IN OPTOELECTRONIC TECHNOLOGIES**, the specification of which was filed March 15, 2004.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a).

We hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed: **NONE**

We hereby claim the benefit under Title 35, United States Code, §120 of any United States application(s), and §119(e) of any United States provisional application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, § 112, we acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, § 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application: This application claims priority under Section 119(e) to provisional application number 60/454,840, filed on March 14, 2003, and provisional application number 60/456,289, filed on March 20, 2003.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Wherefore we pray that Letters Patent be granted to us for the invention or discovery described and claimed in the foregoing specification and claims, and we hereby subscribe our names to the foregoing specification and claims, declaration and petition.
